Susan Bates : Cross Stitch Mini Motifs: Hearts, Birds, Flowers: More Than 60 Mini Motifs before purchasing it in order to gage whether or not it would be worth my time, and all praised Cross Stitch Mini Motifs: Hearts, Birds, Flowers: More Than 60 Mini Motifs:

0 of 0 people found the following review helpful. Love it!By Deborah KoerperichMy new favorite book! Has an orchid, peacock, parakeet, lots of nice charts. Really nice shading but not so complicated that you won't ever so them.
0 of 0 people found the following review helpful. Great book!By Pam LaceyAnother great cross stitch book by Susan Bates. I recommend it. Thx.
1 of 1 people found the following review helpful. Lovely set of sweet motifs by Susan BatesBy iiiireaderSusan Bates has been a favorite designer of mine for years. She currently has a number of design

books out which concentrate on motifs. I like getting motif designs because it lets me decide how to put the items together and for what purpose. I bought her current books from a local needlework store and have been having a lot of fun with them. This booklet is of hearts, birds, and flowers motifs (there are even hearts made up of flowers). All of the designs have the quality that tells you it is by Susan Bates - very sweet and whimsical in style. This is a book for anyone from a beginner to advanced and I recommend it.

With inspiration drawn from the authors love of nature, a theme that lends itself well to cross-stitching and embroidery, this guidebook includes dozens of motifs of birds, flowers, and simple heart designs. From a colorful peacock, red roses, and sweet peas to bluebirds, owls, and patchwork hearts, the featured patterns in can be used for any number of home crafting projects, including greeting cards, framed pictures, pincushions, bookmarks, or to decorate a cushion or a bag. The simple motifs can be created individually or combined for more elaborate patterns, making this book a perfect resource for beginning and veteran stitchers.

About the Author Susan Bates is an experienced cross-stitch designer. She regularly designs patterns for cross stitch books and magazines. Her designs are beautifully coloured and show her love of detail. So far Susan has written 5 books on cross stitch and 1 book on freestyle embroidery. Her designs cover a wide range of topics, such as birds, flowers, gardens, animals, food and fashion. All of her books show the charts for the designs in clearly laid out colour charts and are a joy to stitch.
