4 of 4 people found the following review helpful. for my taste, worth it.By C. FurrI am a traditional quilter mostly but I am interested in all artistry. This book is written by someone who tests the waters of creativity by seeing what is there and saying, "what else could this be?" I wonder how I would interpret something common in my life and I am glad she shared her creativity in this book.4 of 4 people found the following review helpful. InterestingBy Priscilla StultzInteresting way to attack a daily project for a year. I enjoyed the book, a suggested buy for those interested in seeing a year long project result0 of 0 people found the following review helpful. Five StarsBy Chav ElaA beautiful, useful book. William Morris would have been encouraged to see this.

Its truejust a simple item from your make-up bag can put the perfect touch on your quilt!
