Barbara O'Brien : Discover the Excitement of Hairpin Lace: Beginners and Advanced Designs Book 17600

before purchasing it in order to gage whether or not it would be worth my time, and all praised Discover the Excitement of Hairpin Lace: Beginners and Advanced Designs Book 17600:

1 of 1 people found the following review helpful. Original book?By Sue J from So. CAI had the original book some years ago, but lost it somewhere. Nice to have it again.1 of 1 people found the following review helpful. Good booklet for beginnners with hairpin laceBy Elyene ThompsonI had a copy of this booklet in the past and used it to make hairpin lace. I needed a refresher course and this booklet had beginner instructions as well as the pattern for a hat I remembered making. Glad to have the replacement.

This is a great book for instructions on making all kinds of items with hairpin lace.
