By bookreader
This is a superb Rose Book. Each rose gets a whole page or even two pages of text. A picture of the flower plus a second picture of the whole bush. The style of writing is personal. The information is fascinating. A most enjoyable rose book.
11 of 11 people found the following review helpful. This is the very best Old Garden Rose book I have ever had the pleasure to read!

Beautiful pictures and ideas! The book is old, But it is still relevant to the rose gardener. A must buy.
7 of 7 people found the following review helpful. In my top 10 rose book list
By Janet Gustafson
This is a well written, informative book and the pictures are great. Practical information that really helps you with your landscaping with antique roses.

Shows how to use old roses in landscaping, as climbers, ramblers, trailers, or in containers, and explains how to propagate, plant, protect, and prune them.

About the Author
