Not just detergent but various detergent and dish washing liquid and hand washing soap and fabric softeners etc. Also has recipes with heat and others without heat. The various recipes are great because you decide what amount of ingredients you want to have to use and what kind of process to use. I can't wait to try several of the recipes!! They seem extremely easy!! And the ingredients are easy to obtain too - various ones so you can do various (several) recipes in one day. I'm planning on doing this myself and doing it as a project with a group of friends too. Very cool!!0 of 0 people found the following review helpful.
