Che Lam : Learn How to Knit with 50 Squares: For Beginners and Up, a Unique Approach to Learning to Knit before purchasing it in order to gage whether or not it would be worth my time, and all praised Learn How to Knit with 50 Squares: For Beginners and Up, a Unique Approach to Learning to Knit:

7 of 7 people found the following review helpful. This is a book I will come back to again and again.By CarolinamaidI borrowed Learn How to Knit with 50 Squares from the library and had to purchase my own copy. It is beautiful in every way. The photos of the finished squares make you want to knit every single one and with the well written instructions and graphs for all the squares you can easily do it. I could knit before I bought the book but it has

definitely upped my skills. I had never tried to knit a textured panel design like the Moss Heart pattern on pages 50 and 51 but it was quite easy using the detailed instructions. I have knitted five different squares from the book so far. 1 of 1 people found the following review helpful. Good Investment. By Fat Tapper Great resource for a new knitter. Pictures and directions a Great! Had checked the book out at our local library, but wanted to own this one. 0 of 0 people found the following review helpful. If You've Wanted to Learn How to Knit, This Book Makes It Easy By morse fan Che Lam makes it a pleasure to learn how to quilt. Directions are clear, graphics uncluttered.

Never thought that YOU could knit? Well, with Learn How to Knit with 50 Squares, you will discover all the essential skills that you need, one stitch at a time. Learn a new stitch by knitting a square, following a clear step-by-step tutorial and chart. By the time you've finished the square, you've practiced the new stitch, and you're ready to move on to the next one—quick and easy! The squares are organized according to skill level, progressing from basic knit and purl stitches to more challenging techniques, such as cable and lace. And at the back of the book you'll find a handful of inspirational projects that show you how to combine your blocks for unique and stylish results.

About the Author CHE LAM is a knitting designer who joined Drops Design in 2010 as an in-house knitwear designer, and today she is a freelancer who shares her design ideas, inspirations, and free tutorials on her knitting blog, Handy Kitty. With her unique ability to transform simple ideas into fun DIY projects, Che loves to inspire and help others to create with their own hands.
