Trice Boerens : Learn Huck Embroidery on Monk's Cloth (Annie's Needlework) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Learn Huck Embroidery on Monk's Cloth (Annie's Needlework):

4 of 4 people found the following review helpful. I like it but would like directions for the patterns because ...By Terri Smith I like it but would like directions for the patterns because just the picture is not enough. Need to know how many stitches to go over and up and down because the picture is very hard to understand on which direction to go. I saw on a video that showed how many to go over, up and down. Please let me know if there are any books out there that have those directions and I would be willing to buy them at a good low price. Thanks 0 of 0 people found the following review helpful. Nice book needs more instructions 4 out of 5 By Wayne Stevens Nicely illustrated, lack of instructions frustrating. I wish had written instructions instead of just diagrams other than that I would have given it a 5 out of 5. Thanks 0 of 0 people found the following review helpful. Huck Toweling By Customer A wonderful reference book for Huck Embroidery stitching.

Soft and knobby Monks cloth provides the perfect backdrop for these charming patterns painted with yarn. This form of weaving is done on a large scale and is easy to learn and quick to complete. Trice Boerens, an expert in huck embroidery, teaches you the easy steps needed to create these lovely patterns. Pick a pattern, then stitch it on a small project like a hot pad, or a larger project such as a runner or throw. The patterns take shape quickly using step-by-step color charts, and in no time, you'll have a wonderful completed project to keep for yourself or to give as a gift that will be treasured for a lifetime.

About the Author Trice Boerens is a photo stylist, an art director, and a project designer. She is the author of 101 Tea Towels and Monk's Cloth Afghans for Christmas, and Monk's Cloth for Today. She lives in Ogden, Utah.
