Katherine Kennedy : Learn Swedish Weaving Huck Embroidery (Annie's Needlework) before purchasing it in order to gage whether or not it would be worth my time, and all praised Learn Swedish Weaving Huck Embroidery (Annie's Needlework):

4 of 4 people found the following review helpful. Clear instructions and a good combination of large and smaller projects
By Sandy Krickeberg Clear instructions and a good combination of large and smaller projects. Also, several of the projects were more modern and varied from the typical afghan, table runner or placement patterns.
1 of 1 people found the following review helpful. Good for a beginner like me.
By K. French Simple instructions and a good assortment of projects for application. I would appreciate better instruction for the book mark back finishing other than just a visual of how the author did it.
0 of 0 people found the following review helpful. I have been doing Swedish Weaving for a number of ...
By Bobbie I have been doing Swedish Weaving for a number of years, and I have over 100 patterns and most of the books that are out, but this one is different with different patterns, so now I have a new group

to do and put up for sale. thanks

Filled with step-by-step photos, color stitch charts, and informative drawings, this book teaches a simple, straightforward needlework form that can be mastered and enjoyed by all ages: Swedish weaving, also known as Huck embroidery. It takes crafters through the techniques used to create projects from simple bookmarks to jar cozies, table runners, decorative towels, gift bags, and even an afghan. Once embroiderers get started with this fun technique, they won't want to stop. This wonderful traditional craft is experiencing a resurgence in popularity and is being used to make all kinds of beautiful projects to decorate the home or to give as gifts that will be treasured for a lifetime.

About the Author Katherine Kennedy is a needlework designer who has a full line of chart packs and kits that are distributed worldwide. She lives in Deephaven, Minnesota.
