While I have no doubt he's enjoying his spot in heaven, were left with no new Tierney releases to anticipate or enjoy. I've started collecting my Tierney favorites whenever I can, because who knows when we'll see copies again? In addition to "Life's a Drag," Tierney released two other paper doll books on this line, which I purchased stored away somewhere - so I apologize for not being able to provide the titles. With him gone, their value will only increase. {Wait - why am I telling you this? I should keep it a secret! Oh, I have no larceny in my

heart.} And I want everyone to enjoy his work. So go find your favorites enjoy! You'll be surprised at how wonderful they are.1 of 1 people found the following review helpful.
