Paul V. Ambrose : Lionel Trains, 1945-1969: Cataloged Sets (Greenberg's Guide to Lionel Trains, 1945-1969)
before purchasing it in order to gage whether or not it would be worth my time, and all praised Lionel Trains, 1945-1969: Cataloged Sets (Greenberg's Guide to Lionel Trains, 1945-1969):

Revised listings include updated descriptions and values--all collectors will find the information and photos in this book valuable. Stunning new photos feature top-of-the-line sets. This volume completes the look at postwar era Lionel sets.
