**Kathy Norris : Loom Knit Hats Scarves** before purchasing it in order to gage whether or not it would be worth my time, and all praised Loom Knit Hats Scarves:

7 of 7 people found the following review helpful. Loom KnittingBy naturedoctorI am relatively new to loom knitting and this book has really nice patterns especially the ruffle scarf. The patterns are easy to follow and make nice gifts.0 of 0 people found the following review helpful. Five StarsBy EricNICE LITTLE BOOK TO LEARN LOOM

KNITTING HIGHLY RECOMEND. MY WIFE LIKES IT3 of 3 people found the following review helpful.  
disappointedBy JaniedeeI really expected more and better illustrations on using round looms for the scarves and boas.  
I already have a basic pattern book I bought at a book sale/

About the AuthorKathy Norris says her passion for fiber arts began more than 30 years ago when she first started knitting with needles. In recent years, she taught herself to use a knitting wheel (loom) while teaching at an arts and craft store. Her first loom knit designs were created to use in her classes to teach others how to use the loom. Now her designs can be found in various publications. In addition to knitting, she is a bead and crochet artist.
