**Carrie Bostick Hoge : Madder Anthology 2: Simple Pleasures** before purchasing it in order to gage whether or not it would be worth my time, and all praised Madder Anthology 2: Simple Pleasures:

10 of 10 people found the following review helpful. Gorgeous book with highly knittable (and wearable) designsBy happy in natureI LOVE this book. I love that it's self-published (this woman has a superb eye for detail in addition to being a fabulous knitwear designer). I love the designs. I love the layout of the book and the easy-to follow patterns. I love the garment styles - classic and highly wearable, but easy to dress up with special yarns. I am working the "Barn Sweater," a reverse stockinette top-down cardigan, and haven't enjoyed knitting a sweater so much in years. I can tell it's quickly going to become a staple of my wardrobe. These designs remind me of Elizabeth Zimmerman and the old Penny Straker styles, but updated. FABULOUS.3 of 3 people found the following review helpful. they are beautiful on the basis of their linesBy Swarty7This lovely, photogenic book features sweater patterns that are classic; they are beautiful on the basis of their lines, not due to some superficial ornamentation. There is an obvious connection

between strong lines in design paired with strong natural features. I am planning to knit one or more of these patterns in the future.0 of 0 people found the following review helpful. Five StarsBy EPBeautiful simple sweaters. Thoughtfully shaped to flatter a wide variety of figures. Clear instructions.

Containing 17 soothing and meditative projects, this anthology will provide knitters with patterns that will create the perfect staples for every wardrobe. The easy to follow instructions and comprehensive sizing schematics make the patterns perfect for all knitters. From sweaters to accessories such as a beret, scarf, and mitts, this collection of cozy clothing patterns will give advanced knitters a break from complicated projects and beginners a chance to try their first sweater pattern. Also included is a list of abbreviations, and techniques, as well as websites to visit for a visual guide on a Sunday short row, a long-tail cast on, and a provisional cast on.
