Sonia Lucano : Made in France (Blackwork): Fifty Simple Embroidery Projects in Traditional Black and White before purchasing it in order to gauge whether or not it would be worth my time, and all praised Made in France (Blackwork): Fifty Simple Embroidery Projects in Traditional Black and White:

3 of 3 people found the following review helpful. I am SO happy I ordered this By CjI am SO happy I ordered this! I have had a really hard time finding good blackwork books, and this one is my new favorite. I personally look for blackwork fill-ins and borders, as I like to make my own pieces. This book has plenty of finished designs you can use, but also tons of material I can use for making my own. It's definitely the largest collection of blackwork patterns I've found in one place so far, and the book itself is so nicely put together. Super happy and a must have for blackwork lovers! Note: this book would be fine for a first timer or a seasoned stitcher. 3 of 3 people found the following review

helpful. Love that BlackworkBy Gem ReaderBeautiful photos and contemporary twist on a classic!3 of 3 people found the following review helpful. Beautiful book! Shipped right awayBy BarnzgalBeautiful book! Shipped right away. Lots of patterns to try.

Made in France Blackwork takes a modern approach to the ancient art of blackwork. The 50 projects in this book show how simple embroidery stitches worked on a contrasting background can be used to embellish a multitude of charming gifts, accessories and homewares. Follow the easy instructions and learn how the repetition of a few basic stitches results in an endless variety of intricate patterns and designs. You'll be seduced by this timeless and elegant form of embroidery.

About the AuthorSonia Lucano began her career as a fashion stylist following her graduation from art school. These days, she alternates between fashion and the decorative arts. Interested in all forms of craftwork and very hands-on, she loves to collect fabrics, play with colour, create, style and customise . She is, by turns, a photography stylist for publishers and magazines, creator of decorative objects and fashion accessories and author of the Marabout titles, Felted Wool, How to Customize Your Home and Glass Engraving.
