The colors and charts are full color and the artists are phenomenal in my opinion. However, if you are adding books to your collection and already have a few think twice before buying this one as there are many duplicates from other sole artist books. I found that it was actually more financially responsible to buy independent

artist books than this collection. However, if you're starting out. This is a great place to begin. I bought this for Joan Elliott. It includes the Wise Owl, Enchanted Castle, Unicorn (back cover image), Dragon (front cover image), Magic Happens, Stir Up Some Magic, Kitchen Magician, Stir Up Some Magic Trivet. 0 of 0 people found the following review helpful.
