Magical Cross Stitch is truly magical By Kendra Hunter Several years ago I was injured and became unable to work. I filled my days with cross-stitch and is my habit went starting something, I surrounded myself with books and magazines on the subject, both from the bookstore and the library. Among those books was "Magical Cross Stitch"; a David and Charles publication of great beauty both as a book as wells as contents. The patterns range from a magnificent Sleeping Beauty to Chinese Dragons to a Rising Phoenix to a still life that could have come from the office of Dumbledore. Fairies, Mermaids, Sorceresses, Goddesses, and a Rainbow Pegasus fill the pages. I hope to stitch them all. Happy stitching to all and to all
