**Susan Rothemal : Magical Mica: Dozens of Fabulous Projects with Mica Tiles Pieces** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Magical Mica: Dozens of Fabulous Projects with Mica Tiles Pieces:

1 of 1 people found the following review helpful. Magical Mineral By drc536 This was the only book I found that was devoted to the subject of mica. It describes what it is, how it comes, what it is used for, and of course, provides several projects related to the magical mineral. Makes me want to buy some just to try it in my craft projects.

Use this wonderful and versatile natural medium to add texture to your projects. Stamp it, emboss on it, paint it, flake it, punch it and shape it! Create fabulous jewelry, frames, wall art, gifts, lighting, scrapbooks and more.

About the Author Susan Pickering Rothemal discovered applications for mica in crafting over 18 years ago. Creator of

Perfect fx and Mica Tiles.
