Cute postcardsBy customerCute postcards and a way to spread God's word for all to see as it travels but some of the designs are so small it is hard to color and pens smear so a couple were ruined.0 of 0 people found the following review helpful. postcards on smooth sturdy thick paperBy P. PuskarichShe has a series of these books...postcards on smooth sturdy thick paper. Beautiful designs printed in ink dark enough to allow detail to show through if you choose the right inks. I love these - I'm going to put some on my bathroom mirror :) Good quick service too!1 of 1 people found the following review helpful.
